Subject: Support For Section 8205.3000

Dear Honorable Eric L. Lipman,

I am writing in support of proposal section 8205. 3000 which establishes a petition process for formal recongization of smaller political parties in Minnesota's electoral process after these smaller parties meet petition requirements. I believe proposed section 8205.3000 would give smaller political parties opportunities to provide alternatives to voters in upcoming elections. Other states use a similar petition process for recognizing smaller political parties. I urge you to consider section 8205.3000.

Sincerely:
